Teddy's Good Deed.

New York, Dec. 21.—President Roosevelt directed today that the supply ship Celtic, which had been loaded with supplies for the big battle ship fleet now cruising around the world, be sent at once with the supplies to those stricken by the earthquake in Italy.

Hurry orders were issued, and every man in the Brooklyn Navy Yard was put to work to complete the loading of the Celtic, and they were able to get her ready to sail during the afternoon instead of waiting a day or two, as had been intended for the supplies had they gone to the fleet.

The Celtic, which is called the Santa Claus ship, has on board 1,000,000 pounds of fresh beef, mutton and poultry, medicine, clothing and:

20,000 Christmas presents from wives and sweethearts.

100,000 pounds of sugar from Uncle Sam.

1,000,000 pickles.

NEAR DEATH'S DOOR

"I was near to death's door. The doctor said he had done all he could; that my stomach was old and worn out. I was so weak I could not walk. I took Mi-o-na tablets, and have been eating hearty ever since, and I am able to work like a tiger. I wish I could go and thank you myself. I send you my picture, and you can use my word and my picture, and I thank you again."—Mrs. Nelson Lucier, 112 Fisk St., Athol, Mass.

Mi-o-na cures dyspepsia. If any of the readers of the Monroe City Democrat are suffering from stomach trouble of any kind, L. M. Wood will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief, or money back. In many cases one box will effect a permanent cure; in chronic conditions more is necessary. But one thing is certain: one box of Mi-o-na will make you feel so much better and brighter, so much more energetic, that you will not give it up till cured.
